IS THE WAR ON DRUGS THE NEW JIM CROW?

Keynote Speaker: Rev. Dennis Malone

Rev. Dennis Malone, co-founder and lead organizer of *All of Us or None, San Diego*, advocates for criminal justice reform and community economic development. Rev. Malone has a Bachelors of Social Science degree and was honored by the San Diego Foundation for Change with the Danzig Award for outstanding community grassroots organizing.

These accomplishments come after serving nearly a decade (1982-1991) in federal and state penal institutions. Since 1991 Rev. Malone has been an example of "A second chance made good." *All of Us or None, San Diego* is a grassroots movement of former prisoners and felons, organizing to combat the many forms of discrimination faced as the result of felony convictions.
